

How do I contact Technical Support?

Lunes 09 de Marzo de 2009 03:15 - Last revised Miércoles 01 de Julio de 2009

Sometimes, you just need a person to answer your question.

Technical support for GSI software products is available on a pay-per-incident basis.

"Pay-per-incident" means that the user will be charged a one-time flat-rate fee of \$50.00 for resolution of a single technical support issue. For more information, please read our [technical support policy statement](#)

.
